Parents, please ensure that the Cubbies Leaders in your household see this message.

Greetings team! Thank you so much for another great club week!

Here's what you need to know for this week:

Awana Theme: First Aid Night

Big Buzz: While we were sinners, God loved us and sent His Son to love a perfect life and then die for our sins and rise again. Those who trust Christ as Savior will live in heaven with Him forever.

6:45 – 7:00 tracing page. Rule: if a Cubbie is 3 years old, they need at least 3 colors on their page.

7:00-7:30 Cubbies theme song, pledge, puppets (Allison), lesson (Barb), songs (everyone), prayer. (I'm notorious for forgetting to pray! Please remind me before we leave the room.)

7:30-8:00 Snack (A food that begins with the letter C), verses (Romans 5:8 ...While we were still sinners, Christ died for us.), craft (Crayon Reveal A&C), activity page (Telling the C story) if needed

8:00 games in gym

8:20 Closing ceremonies. This is an award week. We will go up on stage to read everyone's name, and then right back down to our seats. Awards will be passed out during the 7:30-8:00 time and put in each Cubbie's vest pocket.

For you to start thinking about...

VIP (parent night) is October 19, the same night we will be studying Bear Hug 4. I would like to lead a parent meeting at 7:30 in the Puppet Room while the rest of you move back to Room 103 for snacks etc. I will have everything prepped like normal. But I won't be there between 7:30 and 7:45 or so. We all will just need to keep the night moving. We need to remember to do verses during snack and then move to craft. And if craft goes fast, we have the other activity page. So keep the night flowing. All of you will need to jump in if there is a lull. Key things to remember which we tend to forget: Hand sanitizer before snack. Prayer before snack. Verses during snack. Don't move to the craft table until you have said your verses. Let's talk about this some more if you have any questions. Thanks for your willingness to jump in!

See you Wednesday!
